**FOR IMMEDIATE RELEASE**

**New Mexico Ghost Books Writer Antonio R. Garcez's Final Book Released Post-Mortem**

*The final work of world-renowned Indigenous New Mexico author—his largest compilation of first-person paranormal encounters in the Southwest—offers past favorites and never-before-told stories to his fans.*

**ALBUQUERQUE, N.M. (Month xx, 2024)** - GhostBooks.biz, on behalf of New Mexico-based award-winning author Antonio R. Garcez, announced today the release of [Unforgettable Ghost Story Interviews](#).

The 672-page short story collection of real, first-hand ghost encounters was completed by Hank Estrada, co-author, publisher, and Antonio's husband, while Antonio was transitioning to the spirit realm at his home in Moriarty, NM in September 2023 from Parkinson's-related complications.

A child of Indigenous healers, Antonio gained reverence for the afterlife sphere and understood the lasting effects of spirit encounters early on. His books are among the first to feature personal stories—never fables—directly transcribed from interviews of those who have experienced first-hand encounters with ghosts.

*"The words of every interviewee take over and their memories come alive within these pages," Antonio said before his passing. "I am no longer simply a writer, but a rational, aware, and respectful witness to undeniable evidence of spiritual entities and their continued interest in connecting with the living."*

The book, self-published through Red Rabbit Press (aka Ghostbooks.biz), is now available on [Amazon](#) and in select bookstores across the Southwest. Hank Estrada is available for interviews and guest appearances. Hank will be presenting a free [Ghost Sightings, Investigations, and Encounters event](#) at [Painted Lady Bed & Brew](#) in Albuquerque on Friday, August 30 at 7:00 pm.
